

OFFER LETTER

Dear

Date: August 01, 2025

Khushbu chittora

We are pleased to offer you an internship opportunity at **Elevate Labs** as a **Java Developer Intern**. This internship is designed to help you enhance your skills and gain practical experience in the field of Java Development. Below are the details of your internship

Position: Java Developer Intern

Duration: 45 Days

Start Date: August 04, 2025

Location: Remote

Benefits: Completion Certificate and Letter of Recommendation (LOR) upon successful completion of the internship with full time offer based on performance.

During the internship, you will work closely with our team on projects that will enhance your understanding of core Java concepts, object-oriented programming (OOP), backend development, working with databases, and frameworks like Spring and Hibernate. We expect you to be proactive, logical, and eager to learn throughout this period.

To **confirm your acceptance of this offer**, please email your confirmation to hr@elevate-labs.info by August 03, 2025. If you have any questions, feel free to reach out to us.

This offer letter does not hold any official value without the completion certificates. It is an offer made to the candidate and does not indicate the completion of the internship.

We look forward to having you on board!

Best Regards

mahesngwd

OFFER LETTER

Dear

Date: August 01, 2025

**Nagaraju
Ramanjaneyulu**

We are pleased to offer you an internship opportunity at **Elevate Labs** as a **Java Developer Intern**. This internship is designed to help you enhance your skills and gain practical experience in the field of Java Development. Below are the details of your internship

Position: Java Developer Intern

Duration: 45 Days

Start Date: August 04, 2025

Location: Remote

Benefits: Completion Certificate and Letter of Recommendation (LOR) upon successful completion of the internship with full time offer based on performance.

During the internship, you will work closely with our team on projects that will enhance your understanding of core Java concepts, object-oriented programming (OOP), backend development, working with databases, and frameworks like Spring and Hibernate. We expect you to be proactive, logical, and eager to learn throughout this period.

To **confirm your acceptance of this offer**, please email your confirmation to hr@elevate-labs.info by August 03, 2025. If you have any questions, feel free to reach out to us.

This offer letter does not hold any official value without the completion certificates. It is an offer made to the candidate and does not indicate the completion of the internship.
